

Lift Caps / Nubbins

SUB-DRILL MANUFACTURES A RANGE OF INTEGRAL WEIGHT OPTIMISED LIFT CAPS / NUBBINS THAT COMPLY TO THE REQUIREMENTS OF NS-1.

FEATURES

- > Conform to NS-1, Norsok and DNV requirements.
- > Integral manufacture
- > Available with Proprietary connections.

All Sub-drill Lift Caps / Nubbins are manufactured Integral from a single piece of high quality steel to ensure the integrity of the lifting accessory, this removes the risk of failure that can be an issue with cast steel lift caps.

Design Optimisation has been carried out on the full range of Lift Caps / Nubbins to ensure they are as light as possible for handling while still offering the required Factor of Safety.

These are available in 3ton, 5ton & 10ton SWL's as standard, larger SWL's available on request.

Handle and pad-eye type available with flow path.

All thread types available – API, NOV Grant Prideco, VAM, Tenaris etc.
